Special Thanks to Mrs. Jeanne Tso and ner Fashion Class

Cover Design by Isabel da Silva

The memory of Jeffrey Wright, one of our talented and witty classmates whose life ended in a tragic accident, will remain in our hearts.

Mr. Steisel, Vice-Principal

Mr. Steisel has been a devoted administrator at Arts High during our stay here and we would like to thank him for all the work which he has done. We also wish him a healthy and peaceful retirement.

Mr. Otero, Principal

We, the Class of 1982, would like to thank our principal, Mr. Hilton Otero, for his wisdom and dedication which extends throughout the entire Arts High family.

The Class of 1982 would like to welcome two new vice-principals, Mr. Gentile and Mrs. Stewart, to Arts High School. We hope that they will love Arts as much as we do.

The Newark School of Fine and Industrial Art opens.

1902 marked the twentieth anniversary of the NSFIA.

The roaring 20's ... almost a decade later NSF relocated to its present site which was to become Arts High School.

Arts High School, established as a school for talented young people who specialized in music or art, had been in existence for ten years.

Love, peace and war ... our version of 1962.

The quality of art and music remains high. Drama has become a third major adding a new energy.

The Eighty-two Crew is a class of infinite talent, such as that of Pep, Lillian, Tanya and Cheryl who started out singing doo - ops in freshman homeroom 220. Later, the birth of Radiance, an extraordinary singing group who pulled in a good sum of money for the senior class fund one evening in the fall of 1981. We thank Radiance for its productive melody which still rings in our hearts.

Ivan Bonilla, talented singer, composer and pianist, was the other half of that show supported by a quality group called Unique. Consisting of a first and second soprano in addition to a first and second alto, led by pianist and singer, they truly lived up to their name. Vivian, Debbie, Sheila, Regina and Queen . . . stay as you are ... Unique.

The Eighty-two Crew Is A 72 Class Of Infinite Talent.

As Juniors We Possessed Grace, Charm And Individuality.

Elegant models display current fashions.

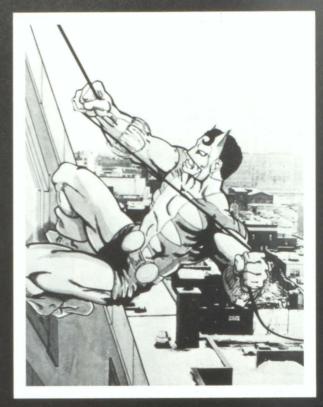

Time evolves. We notice it in many ways. One very important way is in the clothing styles of the people. The senior class fashion show in the fall of 1981 accurately showed the styles of the time. Dressed in splendid gold and in fashions from London Fog, the elegant models showed them off to great advantage.

The Variety Show

The Parent Teacher Student Variety Show was an event displaying extraordinary talents. Opening with a violin recital by Mr. Otero, an air of anticipation was set. Ms. Loftin and Ivan Bonilla performed a well known duet. Other faculty members, such as Mrs. Douglin, Mr. Spindler, Mr. Carden and Mrs. Prizgintas also showed their talents. Of course many students took part in this gala event, especially the woo's. And to top off this event, Mr. Strickland (Daddy Woo) dazzled us with his music at the piano.

A wild and crazy Halloween

The Winter Fair was an exciting and entertaining event.

The 1982 Winter Fair was an exciting, entertaining annual event. Mr. Spindler, who was in charge of all the activities during this bonanza, did a commendable job. The mass chorus performed beautifully, the concert band played well, the drama class exhibited its great talents and the dance ensemble brightened up the show with an added touch of pizzazz! There was standing room only during the entertainment and the gyms were filled with people purchasing refreshments, white elephant items and art work. The Winter Fair was a great success.

Alumni Day was celebrated once again with our orchestra and gospel chorus performing from their hearts. Bradford Brown was selected alumnus of the year.

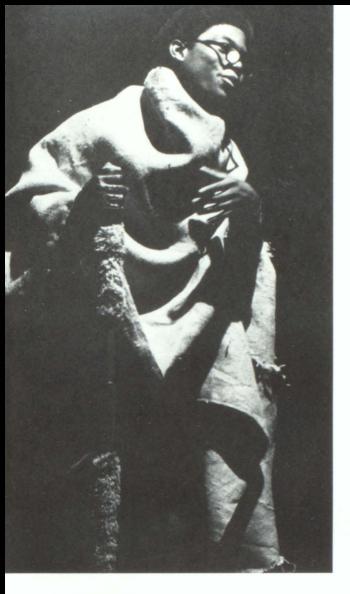

Alumni Day celebrated once again.

"To Be Young, Gifted and Black" was outstanding.

Members of our drama department displayed their considerable talents in the production "To Be Young, Gifted and Black". Tanya Johnson, who portrayed Lorraine Hansberry did a fine job. The audience watched the outstanding performers with amazement. Mr. Davis and Mrs. Goldberger appeared in the production adding a professional quality. The drama department is to be commended.

Winter Concert I
A night of entertainment featuring
the Orchestra, Concert Choir
and Jazz Band

Winter Concert II

Winter Concert II was a great success. The Girls' Glee Club directed by Mrs. Wilkerson began the program with a few vibrant selections. Next on the program was the Mass Chorus directed by Mrs. Van Arsdale which did something a little different this year. The chorus was divided into two groups, male and female. Both groups did very well. The male section was helped by the performances of Mr. Spindler and Mr. Carden. The Jazz Band performed also, adding a little extra to an exciting evening. The Gospel Chorus ended the concert with a performance from the depth of their hearts.

Cross Country Team Hopes For A Winning Season Next Year.

The Cross Country Team had a losing season during 1981. Their record was 0 - 7. Even though the season was disappointing, their spirits remained high. We wish them a winning season next year.

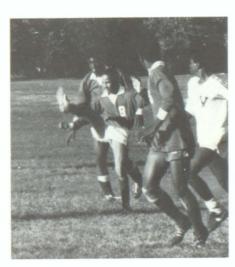

Soccer Team Strives To Improve.

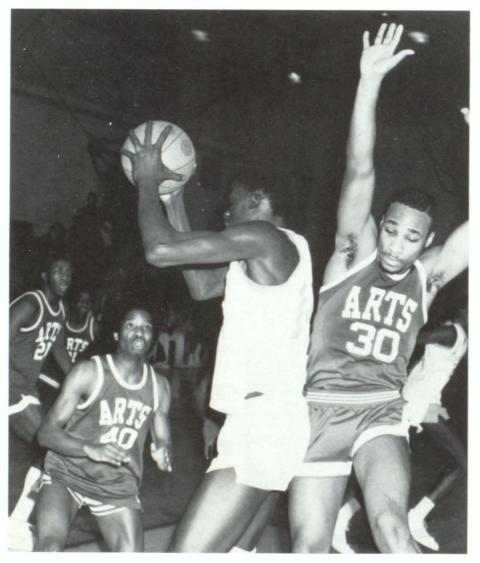

The Soccer Team had an exciting, if somewhat disappointing season. Their record was 1 - 6 - 2. Coach Colatrella and student assistant Sherrie Furman pushed to make superb players. They are on their way toward better years. They are still our champs!!!

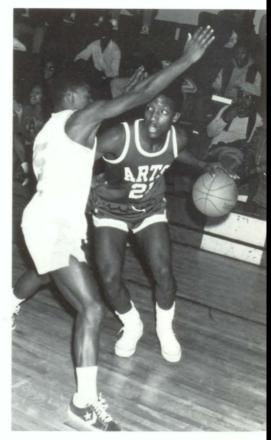

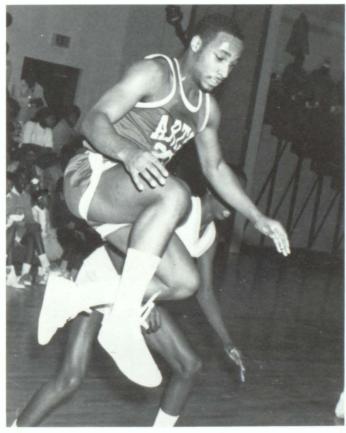

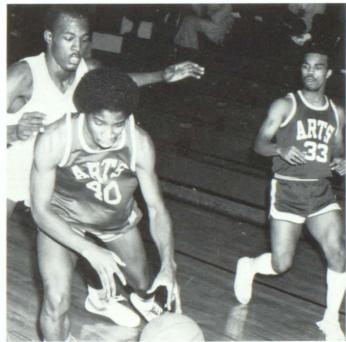

Boys' Basketball Team has Weak Start and Strong Finish

The Boys' Varsity Basketball Team developed sportsmanship and character during this season under the supervision of coach William Wilson. With a record of 9-15, the team never quit. "There was a lot of bench controversy, but we were the best locker room team in the league. It was a pleasure playing under coach Wilson," stated Co-Captain Tyrone Akins. "Despite the record it was a great learning experience." Their slow start did not discourage this determined team. The boys worked hard and finished the season by winning their last three games. We congratulate the team and Coach Wilson.

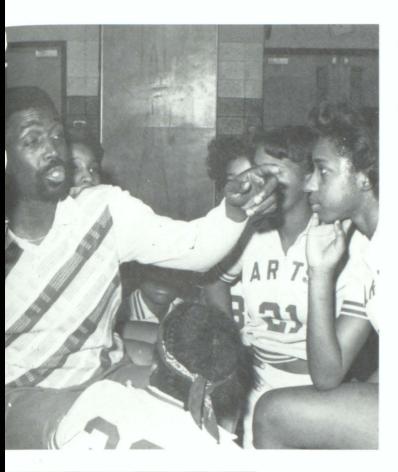

Girls' Basketball Team Closes Season with a 7-10 Record

Arts High School's Girls' Basketball Team closed the season with a 7-10 record. They started the season very strongly. During the first half of the season, the Lady Jaguars lost their scorer, Paulette Hobbs, who broke her ankle during the second game. However, with strong determination and hardwork, the girls completed this season with a much better record than last year.

Beverly Pascall developed her forceful rebounding and defensive skill to help the team along. Rachel Marshall contributed her "round the boards," and Deirdre Tarver working very hard, added an average of 12 points a game.

The girls' give great thanks to Mr. Layton for his sincere dedication.

Long And Hard Training Pays Off

The Indoor Track Team, coached by Mr. Marcus, acquired experience and dedication during this season. They didn't win many meets but their long and hard training prepared them for the outdoor season. Some outstanding achievements were by Captain Gregory Lawrence, who took fourth in the state for group one; Nicholas Mayers, a promising sophomore; and senior James Jackson.
